*This spring*

don't miss the opportunity to see Lang's work performed in New York City. Ailey II will be performing an excerpt from *Splendid Isolation II* in their upcoming annual two-week New York Season. Also at Ailey, the graduating class of the Ailey/Fordham BFA Program will be performing excerpts from *Matisse In Motion*, originally commissioned by the Dallas Museum of Art in 2007. The group will perform the excerpts inspired by Matisse's Drawings, Cut-Outs, and Paintings. The Jacqueline Kennedy Onassis School at American Ballet Theatre will be performing excerpts of Lang's *La Belle Danse*, originally commissioned by Richmond Ballet in 2007, in their annual spring concert. Out of town, Cincinnati Ballet will be performing *La Belle Danse* in its entirety at the Aronoff Theatre in their *Sinatra Suite and More* performance series.

Over the past month, Irina Dvoroenko and Maxim Beloserkovsky toured Lang's *Splendid Isolation III* to Berlin for the second time this season performing at the *Malakhov and Friends Gala*. The couple was also photographed in the *NY Times* Style section during their performance of Lang's work at The Petroushka Ball, a fundraising event for the Russian Children's Welfare Society.

Lang's newest creation, *Wally* was premiered at the National Dance Foundation of Bermuda's fundraising gala, and called "*evocative*" by the *Royal Gazette*.

Thank you for your continuous support.
